Marketing Representative

The Agricultural Produce Market Committee (APMC), Surat, was established in 1951 to facilitate the sale of agricultural products. The Board of Directors comprises a chairman, a vice chairman, 15 directors, and a secretary. The present chairman is Mr. Sandipbhai Desai. APMC is the biggest market in Gujarat for fruits like Alphonso and Kesar mangoes, sapota, guava, papaya, custard berries, and all types of vegetables.

The amenities provided in the market for farmers and traders are in conformity with national and international standards. The state-of-the art Agriculture Mall, popularly known as Krushi Bazaar, has a retail agriculture market for the sale of all kinds of vegetables and fruits for consumers with a home delivery facility. It also has an electronic auction hall, air-conditioned training centres, conference rooms, and a board room. Krushi Bazaar includes the online sale and purchase of goods from the website of **APMC** Surat.

APMC Surat is also establishing a five-star hotel for accommodation, lodging, and boarding, purposes for national as well as international traders, importers, and exporters from all over the world.

APMC Surat has established the most modern food processing unit and packing house for local as well as national markets. The plant has a capacity of 60 MT per day for the manufacturing of aseptic mango pulp, guava pulp, papaya pulp, and other value-added food products, including pickles, jams, fruit drinks, ready-to-eat items, tomato sauces, tomato paste, puree, etc.

All are invited to visit our premises in Surat and have a look at the market activities as well as the food processing unit and packing house.

Objectives :

- Manufacturer of aseptic fruit pulp, canned fruits, and vegetables for export and domestic markets
- The preservation of mango is done in the form of aseptic and canned pulp, which can be stored without refrigeration in a warehouse for more than a year.
- Raw materials are obtained directly from farmers, including tribal farmers in South Gujarat through the collection centres.
- Fetch better returns, uplifting the living standards of tribal farmers and growers.
- APMC brings the tribal farmers into the streamline of world export business.
